Raymond Green passed away on October 21, 2020, at Vassar Bros. Medical Center, at the age of 87.

He was born in Newburgh, NY, to Raymond and Mildred (Cannon) Green (both deceased). He was brought up by his grandmother Jennie Cannon, (deceased), since his mother died shortly after he was born.

He met his fiancée Joan Tallman and they have been together in a loving relationship for 22 years, going to dances, walks, car shows, and listening to country music.

In addition to his parents he is also predeceased by Louie (Bertha) Green, and Virginia (Frank) Cook.

He worked various jobs in Newburgh before coming to Poughkeepsie. He worked at Arlington Central School District for many years until he retired.

I was saddened to learn of Raymond's passing. I enjoyed seeing him at the car shows tootling around in his tittle green Smart car. When I took ownership of my Grandmother's 66 Oldsmobile Toronado, he noticed the car in the greenhouse at Flower Barn where it was waiting restoration. One day when he was getting flowers he mentioned that he had owned one and had enjoyed the car. This began many conversations about classic cars and the joy they bring. I will miss him and think of him often when I am out touring with the V8 Rocket 425 cu in 385 hp engine running down the highway. My sincerest sympathy to all. Barbara Turner-Jones (Fellow car enthusiast)
