To my beautiful mommy, I know you are at peace and in no more pain but my selfishness wants you still here. I was not ready to let you go, I have always wanted you to be here with me ever since a little girl. The day you passed away I sat beside you and held your hand, talked to you and hugged you until god and his angels came to get you. You was there when I came into this world and I was there when you existed and that is something I will forever treasure for the rest of my life. I don't know how I will go on with out you here ☹️ Rest in peace mommy Till we see each other again....🙏🙏🙏🙏

Mama I will miss you terribly. But I take solace in knowing that we will most definitely see each other ok. I will miss your Spanish stew (sancocho). I thank you for teaching me how to make it and every other Puerto Rican dish out there. You were a great cook. But I'm going to just say it's because of you that I hate oatmeal. I really don't think eggs nor chocolate go into oatmeal. That's ok Mom I have forgiven you for that ☹️. You were a child bride (16) and teenage Mom (17). You did your absolute best to raise me. Te quiero mucho Becitos Mama. Your oldest daughter, Betty
